[ATT: JUDY 302 S. REED ROAD (46901), P.O. BOX 1247 KOKOMO, IN 46903-1247]

37. Complete Computer Worker's Tune-Up (5 min.)

Desk side posture tips.

38. 5 Minutes Worth/Wheel of Misfortune (5 min.)

Motivational safety training program.

39. Lockout/Tagout (5 min.) Basic LOTO tips.

40. Fire Extinguishers (5 min.) Basic fire extinguisher tips.

41. Workplace Violence: Assessment & Prevention (34 min.)

Tips to minimize potential for violent situations in the workplace.

42. Hard Hat Safety Series (21 min.)

Fall Protection – What's required & beyond.

43. I Felt Comfortable (23 min.)

True life story about close encounter with death after violating safety procedures. Tape is very graphic.

44. The Ultimate Driving Challenge (48 min.)

Interactive program that puts your driving safety skills to the test.

45. Fire Dept. Trench Rescue (30 min.) & Confined Space Rescue (30 min.)

2 areas that fire depts. need to focus on much more than they have.

46. Chipper Use & Safety (15 min.)

Good information for street, highway & park dept. employees.

47. Emergency Planning (13 min.)

Basic emergency preparedness information.

48. Accidents – It Can't Happen to Me (10 min.)

Good accident prevention tips.

49. Right-of-Way Mowing Safety (23 min.)

Should be seen by every operator of a mowing tractor.

50. Safety Training for Repair Technicians (12 min.)

Examines all types of repair related accidents & preventative measures.

51. Transport Trailer Safety (24 min.)

Shows how to safely load, chain-down, transport & unload equipment on all types of trailers.

52. It Always Happens to the Other Guy (15 min.)

Construction rollover accidents.

53. Basic Tree Trimming Safety Tips (10 min.)

Chain saws can be helpful or deadly.

54. Wheel Loader Walk Around & Inspection (15 min.)

Basic maintenance tips that can help prevent accidents.

55. Wheel Loader Operating Techniques (23 min.)

Real world operating situations are covered.

56. Backhoe Loader Pre-Start Inspection (12 min.)

Good inspection techniques are shown for operators.

57. Backhoe Loader Safe Operating Techniques (14 min.)

Shows how to operate smoothly & safely in different work conditions.

58. Backhoe Loader Maintenance & Transport (9 min.)

Learn from the mistakes of others.

59. Roller Compactor Safety (54 min.)

10 Separate topics that may save your life.

60. Snowplow Safety (23 min.)

Zeros in on the aspects of driving with a snowplow.

61. VFIS Fire Dept. PPE Safety (18 min.)

Stresses wearing the right gear when fighting any type of fire.

62. Safe Practice for Custodial Workers (25 min.)

Covers BBP procedures, proper lifting, chemical safety, etc.

63. Back Safety for Landscape, Maintenance & Custodial Workers (20 min.)

Covers practical tips for safe lifting.

64. Rules for Ladder Safety (20 min.)

Covers practical guidelines for ladder selection & use.

65. Pro's Guide to Push Mower Safety (21 min.)

Demonstrates some of the most common errors leading to accidents

66. Pro's Guide to Riding Mower Safety (20 min.)

Professional mower operators give latest techniques in accident prevention.

67. Water/Sewer Treatment Plant Safety (18 min.)

Common treatment plant hazards & safety is discussed.

68. Avoiding Struck By/Hit By Accidents (19 min.)

Precaution covered to help prevent these mishaps.

69. Basic First Aid (20 min.)

Humorous version with helpful first aid tips.

70. Bloodborne Pathogens (20 min.)

Explains the OSHA standard regarding 1910.1030.

71. Confined Space Entry (20 min.)

Covers the OSHA standard involving 1910.146.

72. Electrical Safety (16 min.)

Provides information employees need to work safely around electricity.

73. Dump Truck Safety (16 min.)

Reminds operators of their safety obligations.

[ATT: JUDY 302 S. REED ROAD (46901), P.O. BOX 1247 KOKOMO, IN 46903-1247]

146. Discipline – Safety Enforcement (6 min.)

OSHA expects discipline to be exercised for safety infractions & this will help eliminate accidents.

147. Preventing Injury Through Body Mechanics, Ergonomics & Physical Fitness (18 min.)

Many common injuries can be prevented by following these guidelines.

148. Safety Awareness for Seasonal Employees (23 min.)

Temporary & summer employees often sustain injuries that can be prevented.

149. Highway Safety for Emergency Services – VFIS (17 min.)

Ten cones of highway incident safety for fire departments & first responders.

150. Preventative Maintenance for Emergency Services - VFIS (20 min.)

The key to readiness for fire department & first responder fleets.

151. Bloodborne Pathogens for Law Enforcement (19 min.)

Good protective tips for emergency responders.

152. Facility Security (18 min.)

You need to protect your facility in these uncertain times.

153. Biological and Chemical Threats (17 min.)

Good info for emergency responders.

154. Disposable Respirators (11 min.)

Good info regarding exposure control.

155. Public Building Safety (17 min.)

It should be everyone's concern.

156. Emergency Action Plan (16 min.)

Crisis under control.

157. Winter Dangers (12 min.)

Frost bite and hypothermia tips.

158. Sexual Harassment VFIS (85 min.)

Techniques for elimination.

159. Safely Exposing Buried Utilities (30 min.)

Damage prevention is not over when utilities are marked.

160. SARS Awareness (12 min.)

Several new diseases are in the news & this is one of them. Basic awareness tips.

161. DOT Snowplow & Spreader Operation (30 min.)

Useful tips in snowplow preparation.

162. Flagger Safety (28 min.)

Flagger safety tips but remember that the flag transfer method is not legal in Indiana & flags can only be used for emergency situations.

163. Emergency Vehicle Rollover Prevention-VFIS (30 min)

Best practices for maintaining vehicle control for fire & EMS.

164. Be Safe, Be Proud (15 min.)

An excellent OSHA funded video for refuse collection employees.

165. Lifting It Right (24 min.)

Auto mechanic safety covering safe vehicle lifting procedures.

166. Office Ergonomics (16 min.)

How to prevent stress to your body

167. Working Outdoors-Mosquitoes & Ticks (15 min.)

Discusses real threats to those spending time outdoors

168. Avian Flu – What You Need to Know (11 min.)

How to protect your employees

169. Disaster Safety – Aftermath & Clean Up (17 min.)

Recovery worker safety

170. Lead Safety for Firearms (12 min.)

Tips for avoiding exposure (POLICE)

171. Preventing Sexual Harassment – For Employees (16 min)

Good training video for employees

172. Discrimination – Nobody Wins

How to have a discrimination free workplace

173. Grinder & Abrasive Wheel Safety (14 min.)

Encourage safe use of equipment
